

WE CREATE CONCEPTS FOR LIFE

www.ConceptDevelopment.ge

CONCEPT

Every house, perfectly designed and rigidly built, we believe is the place where one can live with affection

The goal of the Concept Development is to build the type of house where freedom and coziness, harmony and routine becomes compatible with each other, where every minute of life is felt and not imitated

A prestigious settlement is built on 2500 m² land, near safe and individual sort of street, in a quiet and harmonious environment

www.ConceptDevelopment.ge

ARCHITECTURE

The company started working on the concept in 2020 with a team of architects with many years of experience - Giga Fevadze and Tornike Eristavi

It fully meets modern standards and at the same time, offers customers a unique concept for a pleasant life.
